

# The Invitational™ NATIONAL FINALS STREAMSONG RESORT

MARCH 30 - APRIL 3, 2022

Congratulations! Upon final verification of your USGA Handicap Indexes, you and your foursome will be invited to compete in **the 72-hole Invitational National Finals to be held March 30 – April 3, 2022** at Streamsong Resort. We hope you will represent your local tournament and city in this prestigious nationwide competition!

## **TOURNAMENT FORMAT**

This year's National Finals will be a 72-hole cumulative scramble tournament. Your team will play at three of the Top 100 courses in the United States:

- **Streamsong Red** - Simply put, Streamsong Red is like nothing you've ever played. Designed by the legendary team of Bill Coore and Ben Crenshaw—architects of five designs in the Top 100 in the United States— Streamsong Red is an 18-hole masterpiece. With its 419 Bermuda Grass fairways winding through decades-old sand dunes, lakes, and natural bunkers, its striking landforms, expansive lakes, rolling terrain and stretches of open savannah, Streamsong Red brings drama and strategy into play on every hole.
- **Streamsong Black** - *Golf Digest's* 2018 Best New Golf Course of the Year, Streamsong Black, designed by acclaimed architect Gil Hanse, is a dazzling Par-73 championship layout offering breathtaking views of the vast landscape, which includes flowing elevation, rolls, tumbles and sand ridges akin to the Sand Belt Region of Melbourne, Australia.
- **Streamsong Blue** - With its multiple elevation changes, fairways navigating wild grasses and deep-water ponds and huge bunkers that roll off of towering sand dunes, Streamsong Blue seems designed by discovery rather than by intention. Created by renowned architect Tom Doak—who already has four designs ranked among the top 100 in the world—Streamsong Blue is equally destined for greatness. Streamsong Blue features spectacular terrain, with rises and falls in elevation, and contours that undulate offering some of the most stimulating holes in golf.

The team with the lowest total score for the four rounds will be the Invitational National Champions. This is a national championship event played on championship caliber courses. The golf courses will be set-up accordingly and play will primarily be from the championship (blue) tees.
