Treasurer

Stanley Ballou, MD
Medical Advisor / Director

Jeannine Valenti
Director

Lisa Bordner
Director

Greg Tavrell
Director

Natalie
Lindsay-Smith
Director

Anthony Sagaris
Director

Please consider supporting the mission of the Lupus Foundation of America, Greater Ohio Chapter (LFA, GOC) by becoming a team sponsor for the 2022 Walk to End Lupus Now®. Each corporate sponsorship level provides your organization visibility throughout our community of donors, volunteers, patients, families, and caregivers across various outlets such as social media, website recognition, signage, and ad space.

Approximately 60,000 Ohioans have been diagnosed with lupus - a chronic and incurable autoimmune disease. It is one of the cruelest, most mysterious diseases on earth. Lupus can cause unpredictable, sometimes fatal effects. **Your sponsorship helps lupus patients and their loved ones receive vital support and education while funding breakthrough research programs.**

The 2022 Walk to End Lupus Now® will be a *hybrid* event on Saturday, September 24. We will join in person in Cleveland and utilize digital engagement methods to provide a virtual platform option. The event can reach more individuals throughout Ohio by gathering supporters in-person and online. We hope you will join us as a sponsor this year. Your sponsorship boosts lupus support programs, research, education, and advocacy. In the process, your organization gains positive brand awareness within our diverse lupus community.

The committed board of directors, staff, and volunteers working with the LFA, GOC envision a world without lupus. Until then, we will continue to provide educational opportunities, organize lupus awareness campaigns, introduce advocacy initiatives, and host support groups throughout Ohio. As our partner, you can entrust us to maximize our resources and be good stewards of your contribution. **The Lupus Foundation of America's dedication to improving the quality of life for all people impacted by lupus is a mission that sponsors are proud to support.**

On behalf of the greater Ohio Lupus community, we are grateful for your consideration.

(Patient First) President & CEO, Lupus Foundation of America, Greater Ohio Chapter
